

School Improvement Questionnaire

We are interested in your thoughts about how things are going in your school.

- 1. What is going well in your school?**
- 2. What are some specific problems needing action at your school?**
- 3. What actions do you think need to be taken to solve the problems you have mentioned?**
- 4. What prevents you from taking action?**
- 5. Please provide any additional thoughts here.**
