

Web activity 7(3) Reporting to parents and carers: tutors or subject teachers?

- a) Make a list of the advantages and disadvantages of having only the form tutor (rather than individual subject teachers) make the contact and conduct the school report to parents and carers. Consider this list from the viewpoint of: you as a beginning teacher; the student; the student's subject teachers; the parent or carer. Which system would you prefer as a beginning teacher, and why?
- b) On reflection, what do you think will most benefit the student, and why?
