P. 155: To Examples of the Use of Interactive Whiteboards

More and more schools are investing a large sum of money into the development of interactive whiteboards. However, they are not always used to their full potential by teachers who are unsure of the technology which they have access to. Below are some links to websites which begin to explore the potential and capabilities which interactive whiteboards provide.

Some sites which act as portals to a number of resources concerning interactive whiteboards
