INFORMATION FOR LIBRARIES

Institutional Subscriptions: SAGE Publications offers the following subscription options to institutions. Online access is available via *SAGE Journals Online*, SAGE's online journal delivery platform.

Combined – electronic access (which provides site-wide access to all content in the volume) and a print copy of each issue included in the volume for that title. Temporary electronic access is provided to journal backfile back to 1999.

Combined Plus Backfile* – electronic access (which provides site-wide access to all content in the volume) and a print copy of each issue included in the volume for that title. Temporary electronic access is provided to the journal backfile back to volume 1, issue 1.

E-Access – electronic access (which provides site-wide access to all content in the volume) at a 10% discount off the Combined rate, and does not include print copies. Temporary electronic access is provided to journal backfile back to 1999.

E-Access Plus Backfile* – electronic access plus backfile (which provides site-wide access to all content in the volume) is offered at a small increase to the E-Access rate and does not include print copies. Temporary electronic access is provided to the journal backfile back to volume 1, issue 1.

Print Only Institutional Subscription – print only at 2% off the Combined rate. (Includes electronic access to content in the current and previous year.)

Access via Consortia: SAGE has many different options for consortia. Please check with your consortia administrator if your library could access SAGE content, or for information about all of SAGE's journal offerings for consortia visit www.sagepub.com/consortia.

* Deep backfile for the majority of SAGE's journals is available for lease and purchase. Deep backfile is defined as the content of a journal from volume 1, issue 1 through the last issue of 1998 (content from January 1999 to the present is included in a current individual subscription). Online access is available via *SAGE Journals Online*. For information about backfile for SAGE journals visit www.sagepub.com/backfile or send an email to backfilesales@sagepub.com.

More information about all purchasing options for SAGE journals can be found online at www.sagepub.com/librarians.

Free sample issues of SAGE journals are available on SAGE Journals Online at <http://online.sagepub.com>. Simply visit any journal's homepage and click on the "Free Sample Issue" link.
